

CORPORATE MEMBERSHIP OF IFLA

IFLA, the International Federation of Landscape Architects, is the global body of professional Landscape Architects, with members from over seventy countries in all continents. It represents the profession of Landscape Architecture in both governmental and non-governmental organizations, such as the UN, UNESCO, UIA etc.

IFLA is a non-political, non governmental and non-profit democratic organization with the following objectives: to develop and promote the profession and discipline of Landscape Architecture, together with its related arts and sciences, throughout the world; to establish the profession in its continuing role as an instrument of aesthetic achievement and social change for the public welfare; to contribute in identifying and preserving the intricate balance of those ecological systems upon which the future of civilization depends; to establish high standards of professional practice in design and planning of the landscape, its management, conservation and development; to promote educational and professional international exchange of knowledge, skills and experience.

Private practices, NGOs or other organisations with an interest in Landscape Architecture may become a Corporate Member of IFLA in order to participate in its various activities, share and exchange professional experience with colleagues from other countries, enjoy IFLA's membership benefits and contribute to IFLA's efforts to advance the profession and its influence wherever possible.

Membership dues of EUR 1500, EUR 2,000 or EUR 3,000 per annum entitle the organisation to the benefits of Silver, Gold or Platinum corporate membership respectively. For further questions, please contact the IFLA Membership Team on admin@iflaonline.org
