IFLA NEWS

Across the many working groups of the PPP Committee there have been a number of developments and work is continuing towards a some short term actions to be completed during the World Council. A more detailed report is on the [IFLA website](#) a is summary below:

[Landscape Architects without Borders Working Group](#)

After the open call for a new working group Chair we are now delighted to announce, [Maria Gabriella Trovato](#), already member of the LAWB group and professionally devoted to the cause will Chair this group. We want to congratulate her publicly and we have great expectation for the group development under her leadership.

[Young Professionals Advocate Working Group](#)

A new Chair, Anastasia Nikologianni was appointed this year to kick off action and define the immediate challenges to address. Since then she has done great work setting up social networks to reach the target younger group of professionals. Please follow us and help us disseminate this work!

[UIA-IFLA Working Group](#)

This long established group, set according to the memorandum of Understanding signed in 2012 is currently running a joint collaborative project of IFLA/UIA: IEN+C, under the Co-Conveners guidance Allan Rodger and Tony Williams. The project: Indigenous Ecological Nodes and Corridors (IEN+C) seeks to investigate and provide guidance both globally and locally on how to re-establish,
